Executive Meeting Minutes

recap of the latest Executive Meeting

AUGUST 25, 2026

Domain 3 - TELPAS Impact on Accountability Rating

The executive committee reviewed the district-created [Domain 3: Closing the Gaps dashboard](#) and discussed the findings. On Wednesday, August 26th, there is a leadership support series session scheduled from 9:00-10:00 a.m. for campus and district leaders to review the same information. After the session, the presentation and dashboard links will be shared. We look forward to seeing those leaders who received the Google invite.

Specifically some campuses received 0/4 for the TELPAS (ELP) component. We are evaluating these results and will share our findings to all principals.

Please see the current findings below:

Improvement Plan meeting with campuses

These campuses are placed in academic improvement plans as they are identified campuses by the district. Based on effective school's framework (ESF), the campuses will create a plan using the self-assessment tool. Regional Director of Academics and Regional Executive Directors will be supporting campuses while creating this plan. The due date for plan is Thursday, September 10, 2026.

[ESF_2023_Brochure.pdf](#)

SST Leadership Series

We are still continuing our leadership support series. Principals, AP Academics, RED, RDAs, RICs, Reg ESL and Sped Coordinators, please review the schedule for the next support meeting.

[26-27 Leadership Support Series Schedule & Recordings](#)

T-TESS Calendar

T-TESS Calendar

Please review the [T-TESS Calendar](#) with your team and plan the meetings, walkthroughs and observations accordingly. There are two changes from last year highlighted in yellow. First one is to complete at least one Phase 1 Walkthrough form in DMAC for every teacher by the end of September 4th. The second change is that 2nd semester observations are going to be semi-announced. It means that teachers will be notified of the two week window when they will have an observation.

[2026-27 SST T-TESS Calendar.docx](#)

Attendance/Truancy Tracking

We will begin monitoring our attendance starting on September 1st like we did last year:

[Absence Occurrence/Consecutive Absence 2025-2026](#)

Enrollment Progress

Reminder to review and approve applications and follow up on offered seats and registration progress.

Congratulations to SST Champions, SST Champions College Prep, SST Sugar Land College Prep, and Compass Rose Ingenuity for achieving 800+ students.

Teacher Aide FTE to replace Substitute Teacher Needs

The executive team discussed the option of hiring additional teacher aides to fill the needs of daily substitute teachers. Dr. Demirci and Regional Directors of Talent Acquisition will work on a guide and will share with the principals.

Email Signature Reminders

Please send a reminder to all staff about the approved email signatures. All staff must change/remove their current signature to the version sampled below.

Please note that we are no longer using character quotes. Instead, we will input our campus or district values.

As a reminder, we no longer use the *Dean* title; we are using Assistant Principal title. If a staff member has more than one assignment, they can use both assignments.

- Dean of Academics are referred to as Assistant Principal of Academics
- Dean of Students are referred to as Assistant Principal of Discipline & Safety
- Assistant Principal of CCMR

Additionally, Central Office employees who are supporting our partners in the shared service agreement must use an approved version of the signature with all three logos. A separate email will be shared directly with the Central Office team to modify their signature.

Instructions available in the [SST Style Guide & Toolkit](#).

T-PESS Appraiser Certification — Fall Rollout

As part of our push to strengthen instructional leadership across all SST campuses, we're rolling out **T-PESS** (Texas Principal Evaluation and Support System) Appraiser Certification for Principals and Assistant Principals this fall. T-PESS certification is required for anyone conducting formal principal or assistant principal evaluations under our Enhanced TIA framework. REDs will use their certification to formally observe and evaluate Principals, and Principals will use theirs to evaluate Assistant Principals. Getting certified now ensures our evaluation cycle stays on track and aligned with TEA requirements.

Who needs to attend: Regional Executive Directors (REDs), All campus Principals.

The rubric appraisers will be trained on scores performance against five Texas Principal Standards:

- Instructional Leadership – ensuring every student gets high-quality instruction, from curriculum rigor to classroom walkthroughs and data-driven interventions.
- Human Capital – hiring, developing, coaching, and evaluating teachers and staff.
- Executive Leadership – the principal's own reflection, resilience, communication, and ethical practice.
- School Culture – vision, expectations, family/community engagement, safety, and discipline.
- Strategic Operations – goal-setting, scheduling, resource allocation, and policy alignment with the district.

Each standard breaks into 4–5 indicators, and each indicator is scored using descriptors across five performance levels: Distinguished, Accomplished, Proficient, Developing, and Needs Improvement. Distinguished and Needs Improvement scores require the appraiser to write a direct comment justifying the rating, so evidence collection during observations matters just as much as the final score.

Training Options

In-Person — ESC Region 20 ([1314 Hines, San Antonio, TX 78208](#))

Online Options

ESC 13 Jan 28, 2027 Register via [ESC 13 eCampus](#)

ESC 4 Oct 28, 2026 [Register via ESC 4](#)

Implementation Guidance

- REDs first, then Principals — REDs should prioritize the earliest available session (Sept 24 or the ESC 4 online option Oct 28) so they're certified before principal evaluation windows open, keeping the TIA compensation timeline on track.
- Principals can use any session that fits their schedule, but should be certified before their first formal Assistant Principal observation of the year.
- Track completion centrally — HR/administration will maintain a certification roster to confirm every RED and Principal is credentialed before conducting formal T-PESS observations that will feed TIA designation calculations.
- Certification is a prerequisite, not optional — uncertified staff should not be conducting formal T-PESS evaluations that feed into TIA designation and compensation decisions.
- All formal T-PESS observations
